

NOVEMBER / DECEMBER 2024

Hello everyone,

What a whirlwind of excitement we've had at **Sheet Primary School** this Autumn Term! It's been non-stop action, and I'm thrilled to share some of the highlights with you all.

We kicked off the term with our heartwarming MacMillan Coffee morning, bringing our community together for a great cause. It was wonderful to see so many familiar faces and new ones too. Speaking of familiar faces, our grandparents lunch was a hit, giving our pupils a chance to show off their school to some very special guests.

Our Harvest celebration was a real treat, with the children singing their hearts out and showcasing their musical talents to proud parents. Donations for the church charity funds were amazing. It's moments like these that remind us of the incredible spirit we have here at Sheet.

And how could we forget our new running track? The 'Sponsored Spooky Run' for Halloween was a scream - quite literally! It was fantastic to see the children embracing both fitness and fun in such a creative way.

Now, let me tell you about our firework night. What a spectacular event it turned out to be! On Saturday, November 9th, we had a record number of attendees, and I'm over the moon to report that we raised more money for the school than ever before. Your support means the world to us, and it'll make a real difference to our pupils' experiences.

In the classrooms, it's been all systems go. Our pupils have been diving deep into their topics, and the range of learning is impressive. From programming BBC micro-bits to writing emails, they're developing skills that'll serve them well in our digital world. We've been tackling important subjects too, like anti-bullying, ensuring our school remains a safe and supportive environment for everyone.

The excitement is building for our annual trip to the O2 arena for Young Voices - always a highlight of our calendar. Meanwhile, others are exploring 'extreme earth' and settlers in geography, strumming away in ukulele lessons, and of course, gearing up for all our Christmas festivities.

We've been out and about too! Visits to the church, Petersfield Museum, Butser Ancient Farm, and The Weald and Downland Museum have already taken place this school year. These trips bring learning to life and create memories that last a lifetime.

Looking ahead, our infant classes are busy rehearsing for their performance of 'Cinderella' - it's shaping up to be a real showstopper! And FOSS are working their magic organising a 'Santa Dash' for Christmas.

Oh, and listen out for us on Shine Radio! They're coming in to interview our excited children for their Christmas broadcasts. It's sure to be full of festive cheer.

As you can see, it's all go at Sheet! We're packing so much into each day, and it's a joy to see the children thriving in this vibrant environment.

We'll be back in the New Year to share more stories and adventures. Until then, keep that Sheet spirit alive!

In the meantime, if you would like to be part of this special community why not sign up to be a co-opted governor. We currently have a vacancy for a very special person in the community to join us in helping to run the school.

No experience necessary except a willingness to get involved and help keep Sheet Primary School the vibrant and wonderful place it is!
